To Nuu-chah-nulth Nation,

My name is Alicia La Rue, I am running for the BC Green Party. I am so excited at the traction that the BC Greens are receiving throughout BC. It's time!

I am not a seasoned politician, nor do I pretend to have all the answers. I believe in working with community. By coming together, creative solutions to problems can be met. I am a person who cares deeply for First Nations people and culture. When moving forward in the 21st century, there will be many challenges, however, the BC Greens believe those challenges will bring many opportunitys for economic growth, leaving a legacy for our future generations.

You are the leaders.. Help lead me!

It's time! Get out and vote!
