

## Great work opportunity as a casual Nurse

***Vancouver Island is a great location  
for rewarding work and a scenic, recreational lifestyle!***

Casual and term positions may be available with the Nursing Department of the Nuuchahnulth Tribal Council (NTC). We have a great team of Community Health Nurses, Home Care Nurses and Licensed Practical Nurses serving First Nations communities on Vancouver Island.

Our Nursing program follows a valued Nuuchahnulth Nursing framework and partners with Nuuchahnulth people to deliver professional, ethical, culturally sensitive, and responsible care. This nurse position also plays a critical role in planning and providing community health services through planned home visits, clinics and workshops.

Our on-going search remains open until we find you – *our ideal Nurse!* Regular Nurses receive a competitive salary, benefit package, and self-directed professional development plus regular in-service.

To qualify you must be a baccalaureate-prepared nurse with a current license with CRNBC, or have an equivalent combination of education and 5-years nursing experience; and, provide acceptable references and criminal record check.
